Indigenous health is holistic and seeks balance. At the heart of this view is an understanding that all things are connected and in relationship to one another – land, water, air, animals, individuals, families, and communities. Holistic health is a process that demands a broad and inclusive perspective for addressing health issues.
ABORIGINAL PATIENT LIAISONS (APL)

APLs work to ensure Indigenous Peoples and their families have access to high quality, culturally appropriate care. APLs help bridge the gaps between western and traditional medicine for a holistic health approach.

Indigenous Health supports ten APLs, nine of which are NH employees, and one is contracted by Carrier Sekani Family Services (Prince George).
